Collins Caviar Company
Roe'd Trip to Michigan City, IN

Join ChicaGourmets on a journey of adventure to

Collins Caviar Company

Collins Caviar is the processor of hand-made American freshwater caviars. Salmon caviars are made fresh every week (for over 20 years!). They offer a complete line of caviars, including their flavor-infused and smoked caviars, as well as exquisite, low-salt Hackleback Sturgeon, Paddlefish, and American Golden Whitefish.

Proprietors Rachel and Carolyn Collins will show us around the facility, providing a demonstration and presentation. Don't miss this unique opportunity to learn how caviar is made and taste a variety of caviars paired with sparkling wines from Chicago's own The House of Glunz **and** Michigan's award-winning winery, Wyncroft. Plus, sparkling wine, games and more for the approximate hour bus ride to Indiana!
