GUESTS OF HONOR
CAROLYN & RACHEL COLLINS
COLLINS CAVIAR

Shaw's, the premium crab, seafood, fish, oyster, and now sushi restaurant, is presenting a special dinner featuring the flavorful fresh water American caviars from Collins Caviar. Shaw's has always been known for introducing new fish and seafood in spectacular preparations and presentations. Collins Caviar also has a long history, using fresh water American fish for their caviar. The caviar is made with its own natural flavors as well as added flavorings, which create a dimension to the caviar products that is incredible. These caviars are being used by Shaw's Chef Anthony Keravec, Sushi Chef Naoki Nakashima, and Pastry Chef Lauro Sanchez to create a dinner which expands the range of taste and texture in preparations that cannot be found anywhere else. The wines accompanying our dinner were selected specifically to enhance the flavors of the ingredients. Limited quantities of the caviars being used will be available for purchase at below-wholesale prices especially for the attendees of this event.
