

ChicaGourmets! Are invited To Dine At
The Woman's Athletic Club
 626 N. Michigan Ave.
 6:30PM Wednesday, September 22, 2010

The Woman's Athletic club of Chicago (WAC) was founded in 1898 and has the distinction of being the first athletic club for women in the United States. It occupies the building at the northwest corner of Michigan and Ontario. They have occupied the building since it was built in April of 1929. The club provides many amenities for their members. There is a pool, dance, and workout rooms, and complete spa facility. There are large rooms for meetings, group events, a ballroom, a dining room, and a library. The rooms are beautifully decorated with many treasures, such as crystal chandeliers, hand painted Chinese wall paper and art treasures donated by the members. The club employs a very talented Executive Chef, Oliver Valenzuela, who provides creative dishes for the dining room, and special events. The menu for this event clearly demonstrates his culinary skills.

In conjunction with Collins Caviar, Chef Oliver has created a Masterpiece dinner for us to enjoy.

The Woman's Athletic Club maintains a traditional dress code encouraging proper attire. The club suggests smart business attire as the minimum with jackets and ties preferred for men.
